

TRANSFORMER

SOIL WETTING AID AND SOIL PENETRANT

CONTAINS NON-PLANT FOOD INGREDIENT(S)
STATEMENT OF COMPOSITION

Active Ingredient
19.40% Alcohol Ethoxylate

APENPE
FREE

KEEP OUT OF REACH OF CHILDREN

WARNING / AVISO

Si Usted no entiende la etiqueta, busque a alguien para que se la explique a Usted en detalle.
(If you do not understand the label, find someone to explain it to you in detail.)

HAZARDS: Flammable liquid and vapor. Causes serious eye irritation. Toxic to aquatic life with long lasting effects.

PRECAUTIONS: Keep away from heat/sparks/open flames/hot surfaces. - No smoking. Keep container tightly closed.

Use explosion-proof electrical/ventilating/lighting equipment. Use only non-sparking tools.

Take precautionary measures against static discharge. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area.

Avoid release to the environment. Wear protective gloves/eye protection/face protection.

GENERAL INFORMATION

As soil wetting aid and soil penetrant, TRANSFORMER

- Increases water penetration
- Improves water distribution

DOSAGE RATES

FOR BEST RESULTS

- AGRICULTURE - Use 1 Pint to 1 Gallon per Acre
- FAIRWAYS, LAWNS AND GREENS - Use 1 Pint to 1 Gallon per Acre.

For improved water penetration, after pre-irrigation / leaching, TRANSFORMER can be applied through irrigation equipment.

DIRECTIONS FOR USE AND CAUTIONS

Prior to use, read all the directions on this label. Pre-rinse all tanks, spray lines or containers thoroughly before adding TRANSFORMER as TRANSFORMER contains surfactants. TRANSFORMER should not be added to tanks, spray lines, or containers which may contain additional surfactants. Coatings on inner tank and spray lines, from previous chemicals sprayed may be dissolved by TRANSFORMER.

TRANSFORMER can be applied through furrow, flood, drip, micro-jet, sprinkler jet and other irrigation systems. It can also be applied in conjunction with most types of liquid fertilizer. In addition, it can be applied as a soil spray. When metering TRANSFORMER directly into an irrigation system by means of a metering injection pump or suction regulated line, do not connect to an irrigation system used for chemical applications or directly to a public water system without a back siphon prevention system in place. Always connect to such systems in accordance with local and/or state regulations. Early spring applications are more effective followed by repeat applications as needed.

STORAGE AND DISPOSAL

PROHIBITIONS: Do not contaminate ponds, waterways, ditches and food or feed with chemicals and/or used containers by storage, disposal or cleaning equipment. **STORAGE:** Keep away from heat, sparks and open flame. Prevent electrostatic charge build-up by using common bonding and grounding techniques. Store in a cool, dry, well-ventilated place out of direct sunlight. Store in original tightly closed container away from children, animals, foods, feeds and seeds. Handle in accordance with precautionary statements. In the event of spillage or leakage, soak up the material with absorbent clay, sand, sawdust or other absorbent materials. Scrape up and dispose in accordance with Product Disposal. **PRODUCT DISPOSAL:** Collect and reclaim or dispose in sealed containers at licensed waste disposal site. Do not allow this material to drain into sewers/water supplies. Dispose of contents in accordance with local/regional/national/international regulations. **CONTAINER DISPOSAL:** Empty containers or liners may retain some product residues. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. Dispose of container in accordance with local/national regulations. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org.

NOTICE OF WARRANTY

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES: To be read prior to using this product. The directions should be followed carefully together with good application practice. Failure to do so may cause injury to crops, animals, man or the environment. Extraordinary or unusual weather conditions may affect product performance and/or crop injury which are beyond the control of Oro Agri, Inc. (the "Company") or seller. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the Directions For Use. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Company's election, ONE of the following: 1. Refund of the purchase price paid by buyer or user for product bought. 2. Replacement of the product used. To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The company/seller offer this product and the buyer/user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
